THE PAUSE

Disciple Now 2025
January 24 - 26th

THE PAUSE

Disciple Now 2025

THE PAUSE

Every day, you wake up with an enormous amount of things to do in your day. It's a never-ending cycle of school, sports, clubs, work, friends, family, church...and not to mention all

of the everyday tasks like brushing your teeth or combing your hair. All of these things take time and energy, so it is no wonder that

you may end up sacrificing your quiet time with God to knock out some of the immediate stressors in your life.

It can be a challenge for you to find time to press **PAUSE** and when you do, you aren't sure how to invest in your time with the Lord. Do you know how to seek God? In **THE PAUSE**, you'll learn how and you will become closer to God, and ultimately see the value in prioritizing your spiritual growth.
